

## Year 7 Literacy and Numeracy Catch-up Premium Plan 2018-19

The DfE has made additional funds available for improving the attainment of our disadvantaged pupils. This grant is known the Year 7 Catch-Up Premium. The funds are primarily aimed at improving maths and English levels at key stage 2 (KS2). An allocation is made for every pupil who has not achieved the 'expected standard' in reading or maths at KS2 as per the October school census.

Please see below our yearly allocation of Year 7 Catch-up funding and the how this will be spent

Progress is regularly monitored throughout the curriculum year with formal judgements each term and plans made for the support of those learners not achieving their targets.

Learners who do not make the targeted progress receive additional support and intervention.
