

Hi Llamas, I just wanted to say **WELL DONE** to those of you completing the tasks each week.

You are superstars!

Also - **EID MUBARAK** to those children and their families who will be celebrating this weekend.

Have a wonderful time!

From Mrs Siggers x

Maths Tasks

Reading Tasks

This week we are learning about: 2D Shape

Some online resources to try:

- <https://www.ictgames.com/mobilePage/shiftIngShapes/index.html> Drag the torch to show you part of the shape. Guess what it is. Click on the eye to see if you were right!
- Learn about quadrilaterals with this powerpoint. Get an adult to help you with any vocabulary that is difficult for you to read. <https://www.twinkl.co.uk/resource/t2-m-4522-types-of-quadrilateral-powerpoint> then try the activity below.
- https://mathsframe.co.uk/en/resources/resource/75/shapes_sort_carroll# Remember a quadrilateral is any 2D shape that has 4 straight sides.
- Learn about different types of triangles with this powerpoint. Get an adult to help you – it's a challenging activity and not something I have covered yet in school! Good Luck! <https://www.twinkl.co.uk/resource/t2-m-2234-types-of-triangle-powerpoint> If you have access to a printer, there are lots of 'types of triangles' worksheets on twinkl you could print off and have a go at.
- <https://mathigon.org/tangram>
- <https://pbskids.org/oddsquad/games/pienado/> good for spatial awareness – fix the forcefield!
- <https://www.topmarks.co.uk/symmetry/symmetry-matching>
- <https://www.topmarks.co.uk/symmetry/symmetry-sorting>

PURPLE MASH 2Do ACTIVITIES:

- Purple Mash 2Do: Lines – identifying horizontal, vertical, perpendicular and parallel lines.
- Purple Mash 2Do: Name 2D shapes.
- Purple Mash 2Do: Ordering angles.
- Purple Mash 2Do: Regular and irregular polygons.
- Purple Mash 2Do: Lines of symmetry.

- Purple Mash 2Do – AMW, BC, RB, DB – Read Chapter 5 of Buster's Blitz. Answer the quiz questions.
- Purple Mash 2Do – AAA, AHD, ShH, SiH, FK, LF – Read Chapter 5 of Alien Hotel and answer the quiz questions.
- If you would like to listen to a novel about a skeleton detective, try this link: <https://www.skulduggerypleasant.co.uk/skulduggery-bites/> Click on "Catch up here."
- Read to an adult at home and discuss what you have read. Make sure you read with lots of expression and don't miss the word endings off!
- David Walliams reads chapters of his books every day for you to listen to. If you miss some there is a chance to catch up on a Saturday. <https://www.worldofdavidwalliams.com/elevenses/>
- Oxford Owl has lots of books for you to read www.oxfordowl.co.uk –fiction and non-fiction are available.

Spelling & Grammar Tasks

- Purple Mash 2Do – Spelling words to practice and learn from the common exception word lists that we practice in school.
- Purple Mash 2Do – Adding suffixes (word endings) to verbs.
- Purple Mash 2Do – Apostrophes. Choose the sentence that has used the apostrophes correctly.
- Purple Mash 2Do – Lily's Dog. Using apostrophes.

Other sites to visit regularly:

- Create a free account: <https://www.themathsfactor.com/topics/> Click on 'Topics' and work through the number activities. If you sign up as Year 2/3/4 you will be able you work up from a level you understand. There is also a 'Games' tab to try.
- This site has also opened a lot of its resources up for free: <https://whiterosemaths.com/homelearning/year-3/> These might help if you want more structure. There are other year groups too, so you could find the one your child feels comfortable with. Revision and mastery is better than getting confused and stuck with new concepts
- Play on [Hit the Button](#) - focus on number bonds, halves, doubles and times tables.
- There are lots of games for many of the areas of the maths curriculum on this site - <https://www.topmarks.co.uk/maths-games/7-11-years/measures>

Writing Tasks

- Purple Mash 2Do – AMW, BC, RB, DB – Linked to Chapter 5 of Buster's Blitz. Imagine you have just woken from a strange dream, explain the dream in as much detail as possible!
- Purple Mash 2Do – AAA, AHD, ShH, SiH, FK, LF – Linked to Chapter 5 of Alien Hotel. Write a postcard from Kazoom! Also, What would Kyle Norton be thinking and what is his character like?
- Add to the Llamas Lockdown Blog on Purple Mash – click on the 'Sharing' icon and go into the 'Shared Blogs' tab and it's in there.
- Purple Mash 2Do: Writing about Triangles Properties – make sure you have learned about the different triangles in your maths work before you try this.
- Purple Mash 2Do: Describing Quadrilaterals – make sure you have learned about quadrilaterals in your maths work before you try this.
- Find out about the water cycle. Draw a diagram or create one using collage materials (paper/card/material/cotton wool...) of the [water cycle](#) then add labels and captions to explain how it works.
- Jigsaw – the environment - Design a poster that either shows the importance of recycling, not dropping litter or another UK environmental issue. Can you think of a catchy slogan to accompany your design?

Learning Project - to be done throughout the week - The Environment

The project this week aims to provide opportunities for your child to learn more about the environment. Learning may focus on changes to different environments, the impact of humans on environments, climate change etc.

- **Let's Wonder:**

What is the weather like around the world? Which countries are most likely to have a snowstorm, torrential rain, heatwaves etc..... Find out about natural disasters such as forest fires, earthquakes, tsunamis, floods, tornados etc..... How is climate change having an effect on the weather and natural disasters?

- **Let's Create:**

Using recycled materials design and make a recycling mascot to spread the word about the importance and need to recycle. Think about what it is going to look like? Which materials are you going to use? How are you going to join the materials together? Once completed, remember to evaluate your mascot. What would you do differently next time? Which parts did you find the most challenging and why?

- **Be Active:**

Get into the garden and practise throwing and catching skills and keeping control of ball – use a Wall if you haven't got a partner.

Recommendation at least 2 hours of exercise a week.

- **Time to Talk:**

Discuss environmental issues in the UK. **Air pollution, climate change, litter, waste, and soil contamination** are all examples of human activity that have an impact in the UK. Decide as a family how you could 'do your bit' to look after their environment e.g. you could set up a recycling station in your home; Paper, plastics and glass. Or, turn lights off and screens off when not being used to save electricity.

- **Understanding Others and Appreciating Differences:**

Throughout our lives, culture and experience shapes worldviews, Think about food. How do you think people view food in the UK compared to those living in countries such as Ethiopia (where many people do not have enough food to feed their families)? Research a country where food and water are scarce. Find out about charities that help people in need, [Red Cross](#), [Christain Aid](#), [Islamic Relief](#) or other charities that are significant to them.

Additional learning resources parents may wish to engage with:

Maths Factor is a website developed by Carol Vorderman. You can subscribe for free at the moment and it is a really good site for the children to work through. <https://www.themathsfactor.com/>

BBC Bitesize has created a fantastic new website with all areas of the curriculum covered:

<https://www.bbc.co.uk/bitesize/levels/zbr9wmn>

White Rose Maths <https://whiterosemaths.com/homelearning/year-3/> These might help if you want more structure. There are other year groups too, so you could find the one your child feels comfortable with. Revision and mastery is better than getting confused and stuck with new concepts.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.
