

Minibeasts

Koalas Class

Minibeast hunt

We've been making
some minibeasts
pictures using paper
and glue.

We have been exploring around the garden to find different types of minibeasts.

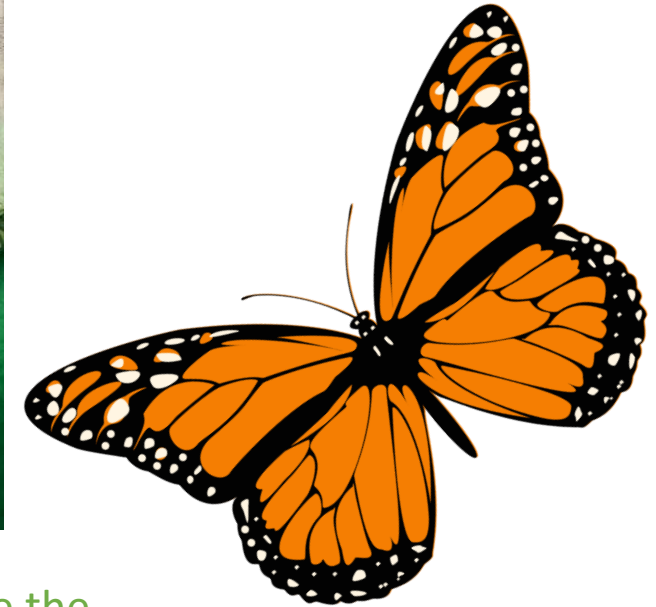

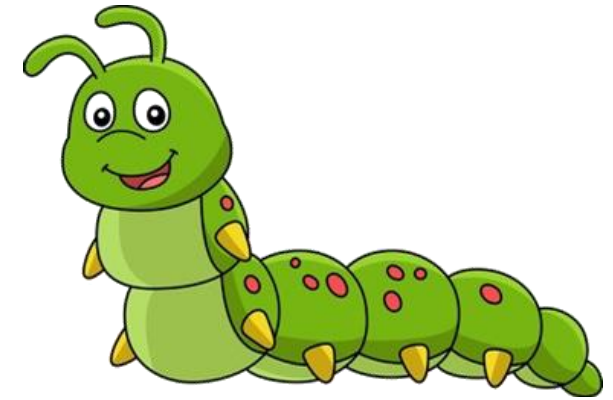

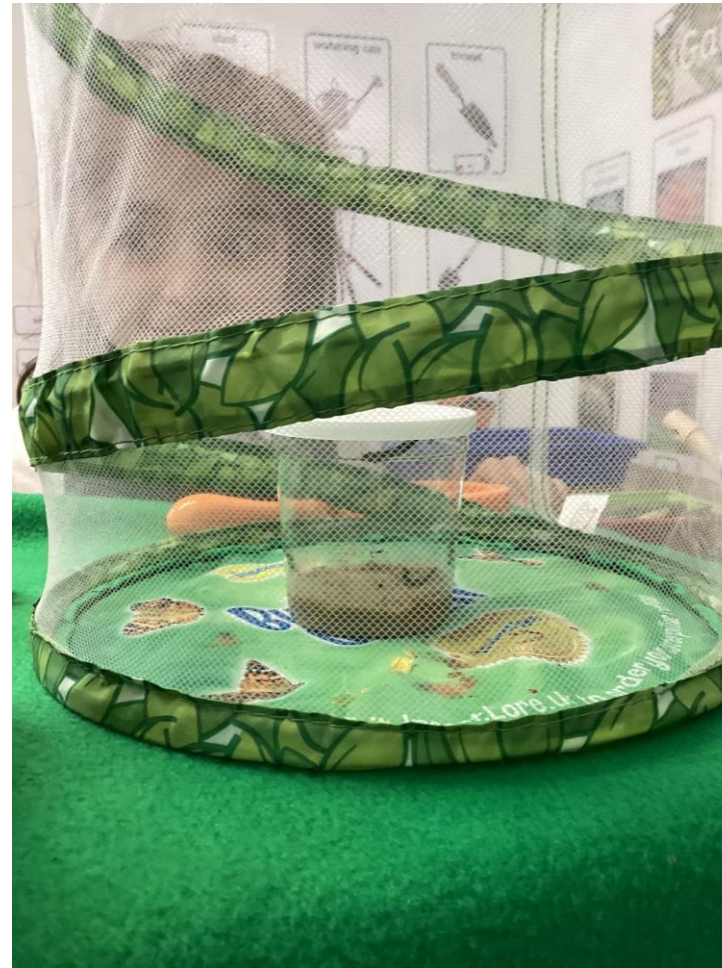

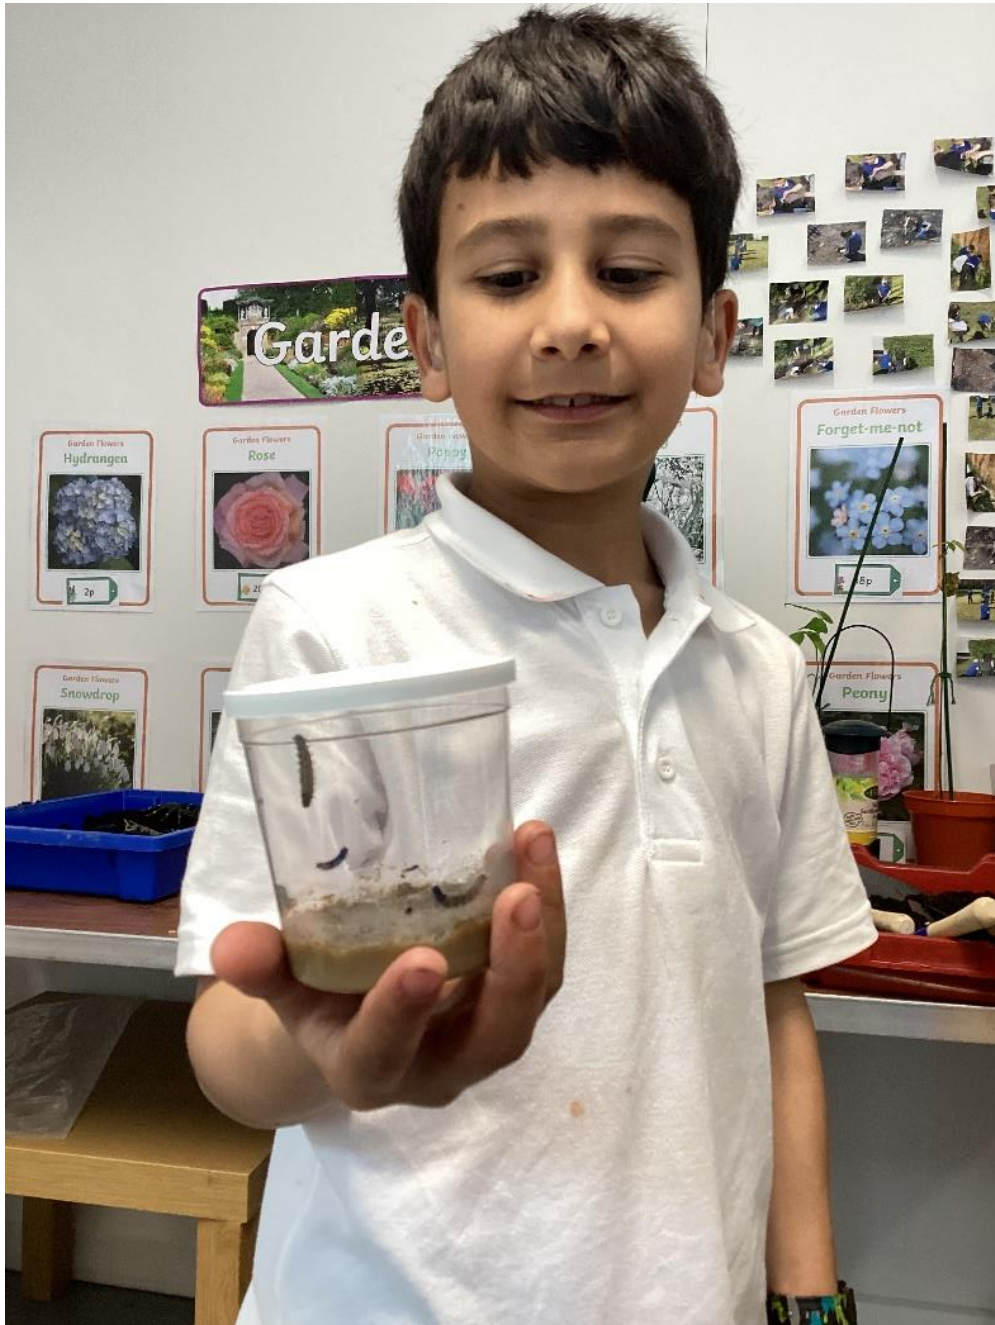

We made a spider and
sang Incy Wincy spider
using our spider to act out
the song!

The Incy Wincy Spider climbed up the waterspout.
Down came the rain and washed the spider out.
Out came the sun and dried up all the rain
And the Incy Wincy spider climbed up the spout
again

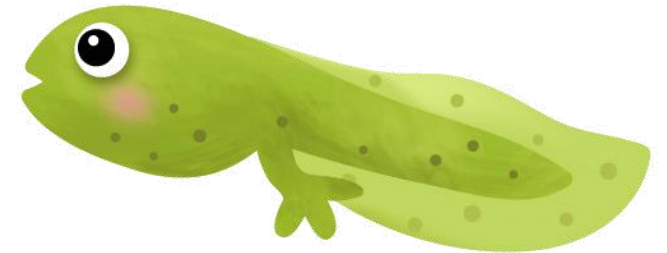

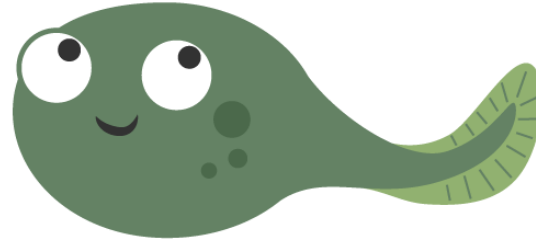

Koalas have been excited to explore the caterpillars.

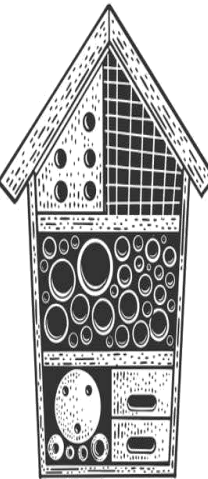

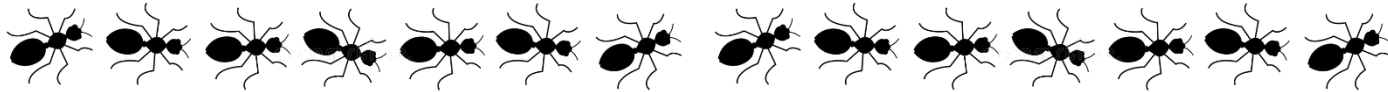

We can't wait to watch how they turn into butterflies!

Koalas have been excited to explore the tadpoles. They have described what they look like and they have learnt about the frog life cycle

Designing our own bug house

Hunting for worms
