Review of Last Year's Spend and Key Achievements (2025/2026)

The Sports Premium funding was used effectively to improve the quality of PE teaching, broaden pupils' sporting experiences, increase participation in physical activity and competitive sport, and support staff development. The investment has established sustainable improvements that will continue to benefit pupils in future years.

Action	Impact	Comments
CPD for staff in Dance	Staff confidence and subject knowledge improved, leading to higher quality dance lessons across all year groups. Pupils demonstrated increased engagement and creativity in dance.	Staff are now better equipped to deliver the dance curriculum independently. Continue to refresh CPD as required.
Purchase of Gymnastics CPD and resources	Teachers developed greater confidence in teaching gymnastics, resulting in improved lesson quality and progression of pupils' skills.	Investment in training and digital resources has strengthened curriculum delivery. Staff will continue to embed new techniques.
Lunchtime physical activity equipment	Increased participation in active play during lunchtimes. Pupils had access to a wider range of activities, encouraging greater physical activity and positive behaviour.	Equipment has been well used and will require ongoing replacement due to regular use.
Swimming programme for EYFS and KS1	Pupils developed water confidence and early swimming skills, supporting long-term swimming attainment by the end of Key Stage 2.	Early intervention has had a positive impact. Swimming opportunities should continue annually.
Judo and Dance specialist sessions	Pupils experienced new sports, increasing enthusiasm, confidence and participation. Some children have shown an interest in joining community clubs.	Specialist coaching broadened pupils' sporting experiences and complemented the PE curriculum.
Outdoor Adventure Activities	Pupils developed resilience, teamwork, leadership and problem-solving skills while taking part in adventurous activities.	The residential and outdoor learning opportunities provided memorable experiences and supported personal development.
Replacement and upgrade of PE equipment	High-quality resources enabled teachers to deliver a broad and engaging PE curriculum, increasing participation and skill development.	Equipment remains in good condition but regular replenishment will be required to maintain standards.
Participation in competitions	More pupils represented the school in competitive sport, developing confidence, teamwork and resilience while raising the profile of PE.	The school successfully entered a range of local competitions and festivals with strong pupil engagement.
Extra-curricular sports clubs	Increased numbers of pupils participated in sports beyond curriculum time, improving fitness, enjoyment and inclusion.	A varied club offer ensured opportunities for children of different interests and abilities. Sports Clubs continue to be chosen.
